HELIUM LYTE

RECESSED TRACK

Description:

Our versatile track system seamlessly integrates with lighting fixtures, perfect for commercial and residential spaces. Easily configurable in straight or custom patterns, it offers simple installation and adjustment for tailored illumination solutions.

Design Features:

- Seamless installation and integration of helium track fixtures.
- Premium extruded aluminium housing.
- Track comes in a 10' max run length.
- Customizable run lengths can be specified.
- High quality powder coating finish.
- Remote constant voltage driver with integral 1% 0-10v and DALI dimming.
- 5 Year warranty.
